

Report of the State Comptroller of Israel | January 2025

IDF Forces' Readiness for Frontline Combat Under Chemical Threat - Follow-up Audit

IDF Forces' Readiness for Frontline Combat Under Chemical Threat - Follow-up Audit

Background

The State Comptroller conducted a follow-up audit on the Israel Defense Forces' (IDF) Readiness for Frontline Combat Under Chemical Threat. According to Section 17(a) of the State Comptroller Law, 1958 [Consolidated Version], and considering the necessity, the subcommittee of the State Audit Committee decided not to present the audit report on this matter to the Knesset, nor to publish it.
